A night photograph of a stone tower, likely the Round Church in Dublin, perched on a grassy hill. The tower is illuminated from within, with a red light at its peak. Below the hill, a city is visible, its lights reflecting on the water of a harbor. The sky is dark with some clouds and stars.

About Aqualla

Headquartered in Newtownards, Aqualla are a dedicated team of bathroom brassware specialists pooling many years of experience to service customers throughout Ireland and the UK.

By specialising in a niche market, not only are we able to offer our customers the very best in product choice, quality and value; with Aqualla, you receive a 'local' service from start to finish; from design, marketing and logistics, to sales, customer service and support.

That's why customer satisfaction is at the forefront of everything that we do, and why we're so proud of the service we offer.

A More Sustainable Choice

FROM ECO-FRIENDLY PROCESSES TO CERTIFIED WATER-EFFICIENT PRODUCTS, WE'RE DEDICATED TO A GREENER, MORE RESPONSIBLE FUTURE.

Doing our part

Aqualla is dedicated to sustainability, offering water-efficient products that are rated and certified by the Unified Water Label Association. Our taps and showers are designed to use less water without compromising functionality.

Sustainability is a core value for us as we drive a transformative journey in 2025 and beyond. Join us in preserving resources for a more sustainable future, one tap at a time.

Ecovadis

In 2024, our parent group received a silver ranking from EcoVadis, placing us among the top 13% in sustainability within our segment of the global manufacturing industry.

In an age where sustainability and responsible business practices are becoming increasingly essential, EcoVadis is a leading platform that evaluates companies' sustainability practices. By analysing the companies' performance in areas such as environment, working conditions, ethics and sustainable procurement, EcoVadis provides an objective and comprehensive view of our and others' sustainability efforts.

Introduction

Drawing on many years combined experience in the industry, Aqualla offers a unique range of bathroom components, blending distinctive designs with practicality for both classic and contemporary living.

To demonstrate our commitment to our customers, we offer an 18 year warranty on all of our taps, showers and accessories, and a 5 year warranty on all of our towel warmers, radiators, mirrors, cisterns and flush plates.

This brochure is designed to give you an overview of our product portfolio, and we have included a water drop beside each tap and shower product, indicating the minimum working pressure required.

For Example:

- 0.5 0.5 bar is equal to 5 metres
- 1.0 1.0 bar is equal to 10 metres
- 2.0 2.0 bar is equal to 20 metres

PRESSURE KEY	
0.2	Low Pressure
0.3 - 1.0	Medium Pressure
Above 1.0	High Pressure

A bar being equivalent to the vertical distance measured in metres from the base of the storage tank to the tap or shower head.

Introduction to Mirrors

Aqualla's collection of mirror styles include features to suit every bathroom.

All mirrors are fitted with a heated demister pad to prevent condensation when the mirror is switched on and use 5mm safety backed glass. At Aqualla we understand that each customers style requirements are different, which is why we offer portrait or landscape fitting options throughout our range.

All mirrors are IP44 rated.

All mirrors with infrared on/off sensors require a minimum 150mm clearance from the sensor to any surface.

Introduction to
Baths & Bath Screens

At our sister company Adamsez we want you to love your bath.

That's why we have put such thought into designing tubs that are cleverly proportioned and skilfully formed to give you excellent shoulder room, which will give those tired muscles room to relax, superb depth to let lots of warm water surround you and maximum length to let you really stretch out.

We haven't compromised on design, so you don't have to compromise on comfort.

Aqualla Brassware Ltd will make a discretionary decision to either replace or repair, at their own expense, defects in goods arising from faulty workmanship provided that the Buyer will have given written notice to the Seller as soon as is reasonably practical. Aqualla Brassware Ltd's liability in respect of any defect will be limited to the repair or replacement of the goods in question and if damage or loss occurs to the goods in transit, the Seller shall repair or replace the specified goods if notification is made in writing within seven days of the goods being dispatched from its premises.

POLICY OF CONTINUOUS IMPROVEMENT

Aqualla Brassware Ltd will continually strive to achieve the highest level of quality and improvement of products.

Aqualla Brassware Ltd reserves the right to alter or amend any product specification without prior notice to its customers. Colours are as accurate as the printing process will allow.

PAYMENT AND OWNERSHIP

The goods shall remain the property of Aqualla Brassware Ltd until the Buyer has settled the invoice in full.

Aqualla Brassware Ltd will be entitled to repossess the goods and enter onto any premises where the goods may be located if the Buyer breaches the contract in any way. This includes acts of insolvency, bankruptcy, attempts to make arrangements with any creditors or any petition passed to a Receiver or a Court.

If Aqualla Brassware Ltd is placed in any situation where it has to repossess its products, the Buyer will be liable to pay the difference between the price of the goods and their value on repossession.

Should Aqualla Brassware Ltd be entitled to repossess goods and unable to do so for any reason, the Buyer will pay to the Seller the full purchase price as per their invoice.

Any discount offered to the customer is detailed on the invoice.

PRODUCT CARE

Aqualla recommend that you do not use any abrasive sponges or scouring agents for cleaning. We also advise that you do not use cleaning agents containing abrasives such as solvent or acid, limescale removers, household vinegar and cleaning agents with acetic acid in them.

Damage to the surface and underlying material resulting from improper treatment is not covered by warranty.

GENERAL

No corrosive substances are to be placed into Aqualla Aromawell as this could be hazardous to your health.

Proof of purchase will be required for all warranty claims.

Aqualla reserves the right to amend prices without notice due to errors or omissions.
